DELIVERED BY GARY CHURTON

Team Building Day *in a case!*

After 18 years of delivering highly successful team building activities. I have learnt a lot about using HIGH IMPACT, yet easily transportable activities.

In your case you will receive the participant briefs (including electronic copies so that you can tweak and change for each group) and necessary equipment for 15 high impact team activities.

Each activity can accommodate between 5 and 20 participants (you can easily vary the size of each activity)

If all activities are run simultaneously you can accommodate up to 120 people!

The activity case is perfect for existing trainers and facilitators wishing to make their sessions even more interactive. OR, those wishing to move into training and development and hit the ground running!

The price of the case also includes a HALF DAY workshop to take you through some of the trickier activities, and demonstrate how to achieve the best outcome for your participants.

Total price £3600 plus VAT

Total price without half day workshop £3200 plus VAT

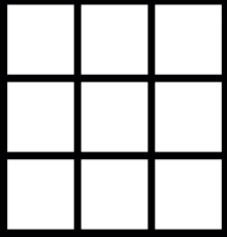

Prices include delivery within UK
